Subject: Request for Revised Testimony Dates in SCPSC Docket 2020-229-E; DESC Solar Choice Metering Tariff

JoAnne, David and Jocelyn,

I am writing this e-mail to request that the Commission grant a one week extension of the testimony filing dates in the pending DESC Solar Choice docket.

ORS does not believe that it will be able to fully complete its review and analysis in this case to allow for detailed testimony to be filed by January 15th.

Dominion, Vote Solar, SEIA and NCSEA support this request, provided that the rebuttal and surrebuttal deadlines for all parties are provided with the same extension.

I have queried the other intervenors but have received neither an objection or assent to this request from those parties.

The current and revised dates would be as follows:

	<u>Current Date</u>	<u>Proposed Date</u>
ORS/ Intervenor Direct	1/15/21	1/22/21
Company Rebuttal	2/5/21	2/12/21
ORS/Int. Surrebuttal	2/12/21	2/19/21
Hearing	2/23/21	2/23/21

Due to the forthcoming holidays and fast approaching direct testimony deadline, we would greatly appreciate the Commission's expedited consideration of this request.

Thank you.
